

# Engagement information

All engagement announcements are printed the second Sunday of each month. Information must be received at least six weeks before the wedding.

For the protection of the family, we print only the month the wedding will take place. However, for scheduling we must know the exact date.

PRINT all names, using complete first name (no nicknames) or two initials.

The Reporter uses closeup vertical portraits of the couple, either black and white or colored. We cannot guarantee return of the photo.

Please include a local daytime telephone number. If you have questions, call 448-2200.
